

## REMARKS

Claims 1-13 are pending in the present application.

Applicants have now submitted a Sequence Listing and a corresponding computer-readable Sequence Listing. The sequence information recorded in the corresponding computer-readable Sequence Listing is identical to the paper copy of the Sequence Listing. Support for all of the sequences listed in the Sequence Listing is found in the present application as originally filed. No new matter is believed to have been introduced by the submission of the Sequence Listing and the corresponding computer-readable Sequence Listing.

The specification has been amended to insert proper sequence identifiers. No new matter has been introduced by this amendment.

Applicants submit that the present application is ready for examination on the merits. Early notification of such action is earnestly solicited.

Respectfully submitted,
